(flashback)

“Aish! Bakit kailangang ako pa?” naiinis na bulyaw ko sa kawalan.
Aaaaahhhh, sumasakit ang ulo ko sa kagaguhan ng magaling kong haraboji.
(haraboji = lolo)

“Kaya mo yan tol, 3 days lang naman eh, hehehe, pagbigayan mo na si haraboji. Lam mo naman yun, matanda na kaya kung ano- ano ang pumapasok sa kokote” pang-iinis pa ni Si Yoon, ang baliw kong kapatid.

“Putsa tol, bakit ako pa? bakit ako pa ang napili niyang gawing yayo ng apo ng kaibigan niya? Aish, APO niya ako, hindi utusan!! Saka andiyan ka naman eh, ba’t di nalang ikaw??” inis sa sabi ko sa kaniya.

“Ano ka sineswerte? At bakit naman ako? Saka, ikaw na yung napili ni haraboji... hahaha, kaya mo yan Bae” sabat naman niya. ***“Malay mo maganda yun”*** dagdag pa niya.

“Wala akong pakealam kung maganda man siya o panget, basta ayaw kong maging yayo niya!! And my decision is final!!”

~~~~~

***“Young Master, andito na po tayo”*** –driver

Bumaba na ako ng kotse at pumasok sa mansion ng mga Lee. Aish!! By this time dapat nasa school na ako, pero umagang-umaga palang ay ginising na ako ni haraboji dahil kailangan ko pa daw sunduin yung apo ng kaibigan niya.

Pagpasok ko ,pumila agad lahat ng mga maids nila. Dumeretso lang ako nang pagpasok at tinanong yung unang maid na nakita ko kung nasaan yung apo ng amo nila.

***“Andun po sa kusina Young Master”***-maid

Pumunta na agad ako ng kusina, late na kami mamaya pag di pa kami agad makaalis ngayon.

Pagpasok ko nang kusina, tumambad sa akin ang nakatalikod na babae. Mahaba ang buhok niya at halatang maganda ang hubog ng katawan kahit nakatalikod siya.

***“Annyeong, are you Hyori? I’m Bae and we should go now.”*** Nagmamadaling sabi ko sa kaniya. There’s no time for a formal introduction, we really should start moving now.

Pero di man lang siya natinag at pinatuloy nya lang ang pagkain, ni hindi nya ako nilingon. F#ck! bingi ba to? Lumapit ako sa upuan niya at biglang hinablot ang braso niya.

***“Sabi ng kailangan na nating umalis eh”*** naiinis na sabi ko sa kanya habang pilit ko siyang pinapaharap sa akin.

***“Sh~t!! Can’t you effi’n see I’m still having my breakfast?”*** bulyaw niya ng nakaharap na siya sa akin. Well, she’s georgious. But I’m piss right now, I don’t care what she looks like.

*"I don't care kung kumakain ka pa o hindi na! we have to go now!"* napatingin ako sa wrist watch ko, sh~t!! we're late already!!

I have no choice but to drag her to the car. Zuee, the girl I'm courting, was probably waiting for me now. *"Let's go, drive as fast as you can!"* utos ko sa driver.

(present)

Natatawa nalang ako tuwing naalala ko ang first meeting namin, how rude of me. Napailing ako ng mapagtantong this is the 3rd day nang paggiging yayo ko sa kanya. Yeah, you read it right, today is the last day of haraboji's pleaded favor on me.

Hyori? Well she's a bitch, a brat, and she always gives me head ache. Parati niya akong inaaway, and believe me, sa dalawang araw ng paggiging yayo ko sa kaniya, natuklasan ko na halos lahat ng negative nasa kanya na.

On our first day together, she punched and slapped me.

Zuee and I had a fight dahil sinabi niyang girlfriend ko siya at niloloko ko lang daw si Zuee. The hell!! I almost killed her that day! After that, Zuee busted me, and that's the end of my 6-months courting on her.

I confronted Hyori kung bakit sinabi niya yun kay Zuee, she just laugh at me, at sinabi niyang bayad ko raw yun sa unfinished breakfast niya.

Second day? The day that I realized first impression do fails and that second impression is always be an option.

(flashback)

I woke up eyes wide open when I saw her sitting on the edge of my bed, I ask her why she's in my room, and guess what? Yeah, she just laughs at me again. Oh Jesus, this girl is insane!!

Still unrecovered by shock, napansin ko nalang na nasa loob na pala ako ng banyo, hinila~~ err~~ tinulak niya pala ako papasok dun (oppss, no green minded allowed).

"Yah, ppali Bae!!" sigaw niya mula sa labas nang cr. Aish, baliw na talaga ang babaeng yun!! ~__~

Sh~t! di nga pala ako nagdadala ng bihisan sa loob ng cr. Aish, panu yan , that bitch is inside my room! O__O

Teka! Bakit ba ako nagpa-panic? I'm the guy here, at isa pa may pandesal din naman ako uh.

I grab the towel at binalabal sa katawan ko. Nang lumabas ako ng banyo, nakita ko siyang naka-upo sa sahig at naglalaro ng X-Box.

Then I saw my clothes properly place in my bed, teka, siya ba ang pumili nito?

"Yah, Hyori, kaw ba pumili nito?" sabi ko sabay turo ng mga damit sa kama.

"Uhum.." sabi niya sabay tango, then balik sa paglalaro.

"Bakit civilian to? We have class remember?" tuya ko sa kaniya.

"Ditch" sagot niya, still focusing on the game.

"D~ DITCH what????!!!" me

"Aish, I said we will ditch class, as in D~I~T~C~H!!!" sabi niya sabay patay ng x-box.

Hayyyy,,, nubanamang buhay to???~!! Sabagay, di ko rin naman feel pumasok ngayon. I grab the clothes and started wearing it.

^_^

^_>

>_>

O__O

“Hey! Can’t you see I’m changing? Stop staring!!” bulyaw ko sa kaniya, tama ba namang panoorin akong nagbibihis eh kababaeng tao niya.

“Hmmp,, Wala naman mawawala sayo pag nanood ako eh, saka I can’t find something interesting in your body. Hmmp, malaki pa yata ang jolen sa abs mo eh” –Hyori

Aba’t!!!!

“Hoy, kababae mong tao ganyan ka? Saka anong jolen? Hoy, pandesal to no! PANDESAL!” tama bang ikompara ang abs ko sa jolen?? AISH!!

“Bakit? Sinabi ko bang lalaki ako? Anong pandesal? JOLEN yan! JOLEN!!” –Hyori

Aish, binilisan ko na lang ang pagbibihis ko, lam kong di ako mananalo sa baliw na to.

(after 5 minutes)

“Teka, san nga pala tayo pupunta?” tanong ko sa kaniya habang nagmamaneho.

“Basta! Sigarudong mage-enjoy ka dun” sagot niya habang nakatingin sa labas ng bintana.

(end of flashback)

We went to an oceanarium and enjoyed each other’s company to the fullest. And there, I met the other Hyori. The sweet, kind and loving Hyori, I can’t believe she has this kind of personality. Right that moment, my first impression towards her ashen and fade away.

We met in the most awkward and inappropriate way, we fight, we shout, we curse. But on that day, I saw her as a lady, a very fine and lovely lady. I know these may sound funny and ironic, but I think I like her~ err~~ let me rephrase that..... I’m falling for her.

And now, the judgment day. These afternoon I gave her a letter, a love letter actually. I told her to open and read it as soon as she came home.

Yeah, sounds lame and redundant, I confess in a letter! And here I am now, naka-upo sa isang swing, waiting for her.

“Darating, di darating.....darating, di darating” I murmured while stomping my feet on the ground.

(kekekeke, pasensyahan niyo na si Author, di pa kasi naka-get over sa “missing you”)

Takte!! Ang BADING!!

“Yah, nanny!!” liningon ko ang pinanggalingan ng boses. And find myself trying my best to suppress a wide smile that is starting to form in my face.

“HYORI!!” tawag ko sa kaniya. I know nabasa niya na yung sulat ko, sana naman di niya ako biguin.

“Annyeong!”-Hyori

Huh? Anong ibig niyang sabihin? Parang may mali... seems she doesn't mean “hello” but the other equivalent meaning of “annyeong”. Oh well, baka dahil kinakabahan lang ako sa sagot niya sa akin.

“Annyeong Haseyo Hyori~ssi!! ,,, Have you read my lett~~~” pinutol nuya ang sasabihin ko sana ng ilagay nya sa tenga ko ang other end ng headset niya.

“Sssshhh” sabi niya sabay lagay ng hintuturo niya sa labi ko at nag hand gesture na makinig nalang ako.

Huh?

“HARU-HARU?” nagtata kang sambit ko. Tinignan niya lang ako ng masama. Sabi ko nga eh,

(np: Haru-Haru by BigBang) ----->>>

Teka, bakit eto yung pinili niyang kanta? Eh kakaiyak to eh. Then an idea strikes me, God, wag naman po sana. Please po, sana masyado lang talaga akong kinakabahan.

“Sandali lang Bae, CR muna ako” basag niya sa katahimikan.

I just look at her with begging eyes. Seems pag pinayagan ko siya di ko na siya makikita.

“Nu banaman to, sandali lang ako”-Hyori

I watch her as she slowly steps away from me, as she slowly disappeared in the crowd.

*****OH GIRL, I CRY CRY***

YO MY ALL, SAY GOODBYE BYE

OH MY LOVE, DON'T LIE LIE

YO MY HEART, SAY GOODBYE**

And my tears fall.

I immediately wipe it, takte, nababading na naman ako!!~ hahah, wag ka ngang masyadong mag-isip Bae, kaba lang yan. Ano ka ba, di ka iiwan ni Hyori!

“Yah!! Nanny Bae!! Kekekeke....~~”

O_O

Tinignan ko ang lpad niya, huh? "Nanny Bae" yung title,,, nirecord niya??

"Hmmm, yah~~ oppa! I wanna share a story to you....."

Once there was a princess who secretly falls in love on the prince of the other kingdom. She's too shy to introduce herself to the prince, she always goes to that prince' kingdom, but she never went near him, she let herself contented on staring at him from afar. Eventually they grew up, the prince become totally handsome, and been the center of every fair lady's attention. As for the princess, she remained as the prince' secret admirer. "

Nasan na ba ang baliw na babaeng yun? Antagal naman niya sa CR.

"One day, bad luck stuck on princess' side..."

She got ill and doctors said she's dying, they even said she only have a week to live. She got totally down, then another bad news arrived, her prince is courting somebody! She cried hard and didn't eat for a day or two...

The King and Queen didn't know what to do. All they know was that they have to make the princess happy for the remaining days of her life. Secretly, they know that their beloved princess was in love the prince from the other kingdom..

Next morning, the King visited the other kingdom and found out that the king on the other kingdom was a great friend of his father. He asked a favor on the king, he plead and kneel in front of that king just to grant his favor.

The next thing the princess knows, the prince was already her nanny. Yeah, the king asked the other king, which is the prince' grandfather, to make his grandson take good care of their daughter.

The princess knows that the prince was annoyed on her because he can't disobey the king, But she chose to ignore it, she's with the prince and nothing matters more. She chose to spend her last 3 days with the prince without worries.

On the first day, she made the prince and his girl fight. She felt guilty, but she just love the prince too much that she ignored her conscience.

On the second day they're together, the princess made sure that the prince will like her. She took the courage she asked the prince to go out. She totally forgot the shy princess she used to be.

On the third and at the same time, their last day together, the prince gave the princess a letter, confessing his love.

But sad to say, it is too late already. Because by the time that the prince knew about the princess' condition, the princess was already in the hospital striving for her life, wishing for a miracle... "

Wtf!! Anong klaseng fairy tale to? Ang alam ko fairy tales end with happy endings~~ Nabigla nalang ako ng maramdamang humahagulgul na ako, the heck! Bakit parang familiar ang story?

“She’s a princess, that’s why she believes in happy endings. She wants to have a happy ending, with her prince. But seems life is not just all about happy endings, sometimes happy endings do not exist”

I’m crying hard, halos lahat ng dumadaan nakatingin sa akin with a confused look.

“Yah, nanny, if you’re the prince in my story, what will you do?”

Potek! Bakit naman ako nasali sa story niya? I want happy endings, a happy end for the both of us.

“The story sounds familiar right? Yah, I have something to confess. Will you believe that, that story belongs to us? Yeah, you’re the prince in the story. And me, I’m the dying princess who secretly love you since we were just a kid. ”

Nanlalabo na ang paningin ko dahil sa lintek na luhang pinapakawalan ng mga mata ko. Bakit? Sana di totoo to, sana nakatulog lang ako kanina sa park at ito ay isang masamang panaginip lang.

“Prince Bae, thanks for being my nanny for 3 days, the best 3 days I have since I found out that I’m in love with you. Thanks for the fight and curses, thanks for the love and the care. Sorry,(sob) s-sorry for hurting you now, (sob) s-sorry because I’m not sure if I can come back and show you how (sob) I I-love you (sob) SORRY!”

Then the record end, H-hyori!!!! Please don’t leave me!! Tumayo ako mula sa pagkaka-upo at nagsimulang tumakbo. I run as fast as I can, I don’t know where I’m heading, but I still run.

People keep staring at me, but I don’t care! I need Hyori, I love Hyori, and I can’t live without her. I keep running, my feet are tired, yet it didn’t stop me, I run as if I’m running for Hyori’s life. The next thing I know, I heard a loud metal screech, and found my body lying at the cold street feeling numb and restless.

“I LOVE YOU HYORI” I manage to say before my consciousness left me.
